

EACME
EUROPEAN ASSOCIATION
OF CENTRES OF MEDICAL ETHICS

EACME Conference Program 2025

Venue: Gebäude AFL
Affolternstrasse 56
8050 Zürich

Thursday – 11.09.2025

Time	Title	Location
12:00 – 13:30	Welcome & Registration	Reception Desk
13:30 – 13:50	Opening <i>Nikola Biller-Andorno, Markus Christen, Andreas Reis, Bert Molewijk</i>	Hörsaal (AFL-F-121)
13:50 – 14:00	Announcement: EACME Prize Moderator: Kristine Bærøe	Hörsaal (AFL-F-121)
14:00 – 15:15	Plenary Session I: Rieke van der Graaf: “Moonshots and miracles – how to ethically navigate the gene therapy debate” Moderator: Gerald Neitzke	Hörsaal (AFL-F-121)
15:15 – 15:45	Coffee Break	Olivenhalle

15:45 – 16:40	Itinerare Round Table Discussion: Janine Reichenbach, Jasmin Barman-Aksözen, Johannes Häberle, Julian März: “When Innovation Outpaces Implementation. Between acceleration and responsibility: Opening a dialogue between rare disease research and medical ethics” Moderator: Sebastian Wäscher	Hörsaal (AFL-F-121)
16:45 – 18:45	Parallel Sessions I	Various
18:45 – 18:55	Closing Day 1 Address by Dagmar Schmidt Tartagli	Hörsaal (AFL-F-121)
19:00 – 20:30	Get Together & Poster Session I (Apéro Riche)	Olivenhalle

Friday – 12.09.2025

Time	Title	Location
09:00 – 10:15	Plenary Session II: Bjørn Hofmann: “Scientific responsibility and integrity in polarized research” Moderator: Ruth Horn	Hörsaal (AFL-F-121)
10:15 – 10:45	Coffee Break	Olivenhalle
10:45 – 12:45	Parallel Sessions II	Various
12:45 – 14:00	Lunch	Olivenhalle
12:45 – 14:00	ECBN PhD and Early Career Exchange/Networking Lunch	Seminarraum AFL-E-015 FiWI
12:45 – 14:00	BENE Lunch Group Meeting	Seminarraum AFL-E-022
14:00 – 16:10	Parallel Sessions III	Various
16:00 – 17:00	Coffee Break + Poster Session II	Olivenhalle
17:00 – 18:15	Plenary Session III: Katrien Devolder: “When Slowing Down Creates Value” Moderator: Manuel Trchsel	Hörsaal (AFL-F-121)
18:15 – 18:30	Closing Day 2: News & Organisation	Hörsaal (AFL-F-121)
18:30 – 19:15	EACME General Assembly	Hörsaal (AFL-F-121)
19:30	Conference Dinner (19:30 Apéro, 20:30 Dinner)	Giesserei Oerlikon, Zürich

Saturday – 13.09.2025

Time	Title	Location
09:00 – 11:00	Parallel Sessions IV	Various
11:00 – 11:30	Coffee Break	Olivenhalle
11:30 – 12:45	Plenary Session IV: Maria do Céu Patrão Neves: “Towards a global health approach: One Health” Moderator: Yesim Isil Ulman	Hörsaal (AFL-F-121)
12:45 – 13:15	Closing Session: Reflecting on the Future of Bioethics <i>Nikola Biller-Andorno, Bert Molewijk, Chris Gastmans, Markus Christen</i>	Hörsaal (AFL-F-121)

Parallel Sessions I

Date and Time	Talk	Speaker	Room
Thu, 11.09.2025	AI, digital twins and the reconfiguration of health and identity Moderator: Eike Buhr		AFL-E-015
16:45 – 17:05	Ethical Challenges of Digital Brain Twins for Personalized Medicine	Giuseppe Comerci (University of Bonn, Germany)	
17:05 – 17:25	Patients' Perspectives on Use of Artificial Intelligence and Personalised Risk Prediction to prevent sudden cardiac death – Results and Reflections from a European Study in Empirical Ethics	Georg Lindinger (University of Bayreuth, Germany)	
17.25 – 17:45	On the normative status of “mental privacy” rights	Felicitas Holzer (University of Zurich, Switzerland)	
17:45 – 18:05	GRACE: towards trustworthy AI principles in a voice assistant with older adults, a pilot study	Rasita Vinay (University of Zurich, Switzerland)	
18.05 – 18:25	Disabling Digital Twins: A need for disability perspectives in the ethics of digital twins	Andrew Barnhart (University of Bonn, Germany)	

Thu, 11.09.2025	One health Moderator: Yesim Isil Ulman		AFL-E-011
16:45 – 17:05	AI innovation in healthcare as a threat to planetary health? A proposal for the (non-) justifiability of AI technology and applications.	Lorina Buhr (University Medical Center Göttingen, Germany)	
17:05 – 17:25	Sustainable Health Through Sustainable AI: Sustainability From Public Health to Planetary Health	Orhan Önder (Marmara University, Türkiye)	
17:25 – 17:45	What is the role of institutional bioethics in addressing new technological challenges: the case of the ecological and carbon footprint of the healthcare sector	Silvia Salardi (University of Milano-Bicocca, Italy)	
17:45 – 18:05	Environmentally Sustainable HeAlth REsearch (SHARE): From ‘tool solutionism’ to a context sensitive, just, systems focused and reflexive approach	Gabrielle Samuel (King’s College London, United Kingdom)	
18:05 – 18:25	Planetary Health Research Ethics: Sounding out the Dimensions	Sabine Salloch (Hannover Medical School, Germany)	

Thu, 11.09.2025	Aging, Autonomy, and Ethics: Rethinking Care and Technology in Later Life Moderator: Anna Westermair		AFL-E-022
16:45 – 17:05	Digital assistive technologies to support community-dwelling older adults: an interpretative synthesis of experienced benefits and harms	Kasper Kruithof (Amsterdam UMC, The Netherlands)	
17:05 – 17:25	High-end medicine: Very old patients need palliative care, not intensive care – in line with the priority-setting principle Need-Solidarity	Mia Svantesson (Örebro University, Sweden)	
17:25 – 17:45	Responsible use of innovative technology in residential care for people with dementia - A human-rights approach	Kim Kulaczewski (Carl von Ossietzky University of Oldenburg, Germany)	
17:45 – 18:05	Developing a counseling protocol for responsible biomarker disclosure in frontotemporal dementia.	Charlotte Graafland (Erasmus University Medical Center, The Netherlands)	

Thu, 11.09.2025	Biomedical Ethics session I Moderator: Corine Mouton Dorey		AFL-F-121
16:45 – 17:05	Reciprocity and Responsible Innovation in Psychedelic Therapy: Lessons from an Ibogaine Partnership	Ashwin Budden (Harvard Medical School, USA)	
17:05 – 17:25	Choosing Resilience: an innovation to put nurses in the lead	Malene van Schaik (Amsterdam UMC, The Netherlands)	
17:25 – 17:45	Patient Preference Predictors Revisited: Technically Feasible, Ethically Desirable, Yet Must Be Clinically Relevant	Andrea Ferrario (University of Zurich, Switzerland)	
17:45 – 18:05	Fostering patient inclusion in clinical ethics support services – moving from research insights to innovative tools for practice.	Janine de Snoo-Trimp (Amsterdam UMC, The Netherlands)	
18:05 – 18:25	Moral Injury and Moral Resilience among Healthcare Workers in the aftermath of 2023 Earthquakes in Türkiye: Navigating Systemic Challenges and Strengthening Moral Competencies	Fatih Bilgili (Ankara University School of Medicine, Türkiye)	
18:25 – 18:45	Advanced Care Directives for Managing Loss of Decision-Making Capacity Ensuring Patient-Centered Care	Jürg C. Streuli (Gesundheitskompass, Switzerland)	

Poster session I

Date and Time	Poster	Presenter	Room
Thu, 11.09.2025	Get Together & Poster Session I (Apéro Riche)		Olivenhalle
19:00 – 20:30	<p>Polygenic embryo screening, donor selection and the ethics of neurodiversity</p> <p>Patient and Public Involvement in Youth Mental Health Research: Conceptualization and Implementation of a Youth Council</p> <p>Remote monitoring for Parkinson’s disease with wearable sensors: ‘soft’ impacts on users and their daily lives</p> <p>Anthropotechnic Vulnerability: Rethinking the Physician-Patient Relationship in the Age of Artificial Intelligence</p> <p>Innovating Ethics Support for Everyday Ethics: The CURA project (2017-2025)</p> <p>Ethical considerations in communication practices within a local group-based dementia prevention programme: Social and ethical challenges and potential modifications</p> <p>Reasons for allowing new plant breeding technologies from a planetary health perspective</p>	<p>Dorian Accoe (Ghent University, Belgium)</p> <p>Remo Schraner (University of Basel, Switzerland)</p> <p>Marijn van Es (Radboud University Medical Center, The Netherlands)</p> <p>Julián Riaño Moreno (Universidad El Bosque, Colombia)</p> <p>Suzanne Metselaar (Amsterdam UMC, The Netherlands)</p> <p>Jana Wegehöft (University Medical Center Göttingen, Germany)</p> <p>Philippe Mathys (University of Basel, Switzerland)</p>	

	Getting personal: Ethical issues of personalised medicine in chronic kidney disease	Jeremy Power (Université de Toulouse, France)	
	A practice example in integrating Patient and Public Involvement in psychiatric research: Ethical reflections and practical considerations	Jona Simon Carlet (University Hospital Zurich, Switzerland)	

Parallel Sessions II

Date and Time	Talk	Speaker	Room
Fri, 12.09.2025	Ethics at the Crossroads of Reproduction, Parenthood, and Care Moderator: Tobias Eichinger		AFL-E-015
10:45 – 11:05	“Age independent, but person dependent”: A Swiss interview-based study on the meaning of good parenthood at an advanced parental age	Nathalie Bettina Neeser (University of Basel, Switzerland)	
11:05 – 11:25	Ethical Reflections on Assisted Reproductive Technology and Parenthood as a “Form of Life”	Leonie Abstein (University of Zurich, Switzerland)	
11:25 – 11:45	The Paradox of "Optimistic Counseling" - Debate and Disagreement Around Contraceptive Side Effects	Ilvie Prince (Hannover Medical School, Germany)	
11:45 – 12:05	Too late to become parents? An empirical-bioethics study on fertility patients’, clinicians and adult children on parenthood timing	Andrea Martani (University of Basel, Switzerland)	

Fri, 12.09.2025	AI in Healthcare Moderator: Rasita Vinay		AFL-E-011
10:45 – 11:05	Facing the Algorithm: The Urgent Need to Advance Patient Automation Literacy in the Age of Medical AI	Zara Malgir (University of Basel, Switzerland)	
11:05 – 11:25	Trust and Artificial Intelligence in the Doctor-Patient-Relationship: epistemological preconditions and reliability gaps	Eike Buhr (Carl von Ossietzky University of Oldenburg, Germany)	
11:25 – 11:45	“Trust me, I am a data fiduciary”	Lukas Kiefer (NCT Heidelberg, Germany)	
11:45 – 12:05	The ethics of selective deployment of AI in an infectious disease outbreak	Jamie Webb (University of Oxford, United Kingdom)	
12:05 – 12:25	In the Face of IT: Ethical implications posed by the biometrics ‘gaze’	Matt James (St Mary’s University, United Kingdom)	

Fri, 12.09.2025	Methods in Ethics Research Moderator: Andrea Ferrario		AFL-E-022
10:45 – 11:05	Exploring graphic novels in ethics education: key themes and research gaps	Fifianne Rigter (University of Utrecht, The Netherlands)	
11:05 – 11:25	Co-Creation in Digital Health – Introducing a Novel Process Model to Initiate the Necessary Mindset Shift	Annina Gähwiler (University of Zurich, Switzerland)	
11:25 – 11:45	Chances and challenges. Implications of integrating participatory research into ethics research	Alexander Kremling (Martin Luther University Halle-Wittenberg, Germany)	
11:45 – 12:05	The role of social value in data-intensive health research	Tessa van Rijssel (Radboud University Medical Center, The Netherlands)	
12:05 – 12:25	The art of (health)care: responsible innovation through responsible imagination.	Clemence Van Ginneken (Ghent University, Belgium)	

Fri, 12.09.2025	Religion and Bioethics Discourse Moderator: Kiarash Aramesh		AFL-F-121
10:45 – 11:05	Structuring bioethical debates with the Toulmin model of argumentation – a justificatory dead end?	Annett Wienmeister (Charité-Universitätsmedizin Berlin, Germany)	
11:05 – 11:25	Biotechnologies, AI and ethics need transdisciplinary dialogue, also involving the public	Renzo Pegoraro (Pontifical Academy for Life, Vatican City)	
11:25 – 11:45	The Place of Marginalization in Bioethics: Do We Need the Concept?	Verina Wild (University of Augsburg, Germany)	
11:45 – 12:05	On Religious Influence in Bioethics: The Limits of Pluriversalism	Giovanni Spitale (University of Zurich, Switzerland)	
12:05 – 12:25	How should we deal with religiosity as reason for organ donation hesitancy? Empirical results of a survey among European students (N=2163) and ethical reflection	Silke Schicktanz (University Medical Center Göttingen, Germany)	

Parallel Sessions III

Date and Time	Talk	Speaker	Room
Fri, 12.09.2025	Genetic Testing, Genome Editing, and Screening Moderator: Sebastian Wäscher		AFL-E-015
14:00 – 14:20	We Need to Talk About It—Redefining the Right to Withdraw in Therapy Development for ultra-rare diseases.	Mariia Maksimova (The University Medical Center Utrecht, The Netherlands)	
14:20 – 14:40	Time poverty of families of children with 22q11DS: A healthcare professional perspective	Sophie Ayoub (University of Basel, Switzerland)	
14:40 – 15:00	Ethics under uncertainty, uncertain Ethics? An ethical guidance for the decision to initiate first-in-human trials involving somatic genome editing	Marcel Mertz (Hannover Medical School, Germany)	
15:00 – 15:20	Responsible innovation in screening: who determines the necessary information?	Eva Asscher (UMC Amsterdam, The Netherlands)	
15:20 – 15:40	From Ethics to Practice: Ethical Framework and Best-Practice Recommendations for a Genomic Newborn Screening Program	Karla Alex (NCT Heidelberg, Germany)	
15:40 – 16:00	Preimplantation Genetic Testing – What are the Ethical Challenges in Clinical Practice?	Manuel Trachsel (University of Basel, Switzerland)	

Fri, 12.09.2025	Biomedical Ethics session II Moderator: Maria Aluas		AFL-E-011
14:00 – 14:20	Objectives and limits of participatory involvement of patient organizations in digital health research	Sabine Wöhlke (Hamburg University of Applied Sciences, Germany)	
14:20 – 14:40	Moral Asymmetry and Conscientious Objections: Negative and Positive Rights in Healthcare	Tzofit Ofengenden (Tulane University, USA)	
14:40 – 15:00	The implementation of the Ethical Space within the ASST of the Seven Lakes: preliminary results of a training course	Antonio Maria Giuseppe Staffa (University of Insubria, Italy)	
15:00 – 15:20	Personalization at the limit of viability: ethical challenges	Alessia Bonaccorso (University of Insubria, Italy)	
15:20 – 15:40	Dialogues beyond dispensing: pharmacy professionals' understanding of conscientious objection in Great Britain	Isaac Moore (University of Strathclyde, United Kingdom)	

Fri, 12.09.2025	Ethics of Emerging Care Technologies Moderator: Diego Borbón		AFL-E-022
14:00 – 14:20	The impact of telemonitoring on the responsibilities of patients and caregivers	Eva Meier (Amsterdam UMC, The Netherlands)	
14:20 – 14:40	How to combine care technology and care responsibility? Ethical considerations	Lena Stange (University of Oldenburg, Germany)	
14:40 – 15:00	Patients' Engagement in Meaningful and Responsible Development of Wireless Targeted Drug Delivery: A Survey on Romanian Population's Familiarity, Attitudes and Ethical Concerns	Andreea-Iulia Somesan (Babes-Bolyai University, Romania)	
15:00 – 15:20	The Impact of Medical Technologies on Partner Relationships: Ethical Considerations	Anna-Eva Nebowsky (University of Oldenburg, Germany)	
15:20 – 15:40	Gendered Perspectives on Deep Brain Stimulation in Parkinson's Disease: Evolving Needs, Expectations, and Perceived Outcomes	Debora Spagnolo (University of Trento, Italy)	
15:40 – 16:00	Ethical Reflections on Organizing the First Human Trial of Artificial Womb Technologies	Alice Cavolo (KU Leuven, Belgium)	

Fri, 12.09.2025	Public Health Ethics Moderator: Felicitas Holzer		AFL-F-121
14:00 – 14:20	Protecting Affiliation During Pandemic Crises: A Capabilities Approach for Public Health Ethical Deliberation	Gemma García Calderó (University of Basel, Switzerland)	
14:20 – 14:40	Ethical Justifications for Ensuring Global Access to Antibiotics: Insights from Stakeholder Perspective	Mirko Ancillotti (University of Gothenburg, Sweden)	
14:40 – 15:00	DIY Medicine, Empowerment, and Resistance: Exploring Outsider Innovation in Healthcare	Michiel De Proost (Ghent University, Belgium)	
Fri, 12.09.2025	Biomedical Ethics session III Moderator: Felicitas Holzer		AFL-F-121
15:00 – 15:20	“One, No One and One Hundred Thousand” Types of Moral Distress: Findings from a Qualitative Study of Moral Distress Experience Among Italian Healthcare Professionals	Alessandra Agnese Grossi (University of Insubria, Italy)	
15:20 – 15:40	Lack of innovation and inequities in the Romanian health system. The patient’s viewpoint	Mária Rajka (University of Medicine and Pharmacy of Cluj Napoca, Romania)	
15:40 – 16:00	The construction of the Clinical Ethics Consultant Competencies' Repertoire in the light of the European and Italian Qualifications Framework: results of the interviews to the double	Francesca Reato (University of Insubria, Italy)	

Poster session II

Date and Time	Poster	Presenter	Room
Fri, 12.09.2025	Coffee + Poster Session II		Olivenhalle
16:00 – 17:00	<p>Physicians' encounters with discrimination in the course of their work as healthcare providers: a qualitative systematic review</p> <p>Exploring the Ethical and Technical Considerations of GRACE, A Voice Assistant for Dementia Care</p> <p>A digital toolbox to support competency-oriented ethics teaching in health-related subjects and professions: Results of the KOMETH-Learn project</p> <p>Beyond Disclosure: Supported Decision-Making for Alzheimer's Patients in the Biomarker Era</p> <p>Towards a Clinical Large Language Model – An Ethico-Legal Case Study Analysis</p> <p>Game-based learning as an approach in interprofessional training of health professionals based on ethical case scenarios</p> <p>ETH-MUD (Ethics Muda/Young Ethics): Investigating the ethics of responsibility-shifting for mental health through digital mental health in young people in Indonesia</p>	<p>Kevin Dzi (CHUW, Switzerland)</p> <p>Ceren Polat (University of Zurich, Switzerland)</p> <p>Tobias Eichinger (University of Zurich, Switzerland)</p> <p>Jonas Karneboge (University of Siegen, Germany)</p> <p>Lara Bernasconi (University of Zurich, Switzerland)</p> <p>Andrea Glässel (ZHAW, Switzerland)</p> <p>Nabila Puspakesuma (University of Oxford, United Kingdom)</p>	

	<p>The contribution of clinical ethics consultation to decision making in complex psychiatric conditions: an explorative qualitative study</p> <p>Qualitative study to evaluate the Clinical Ethics Consultation service (VALUE)</p> <p>Integrating Sex and Gender in Swiss Intensive Care Research</p>	<p>Alina Roua Solomon (CHUW, Switzerland)</p> <p>Salvatore Simone Masilla (Università Cattolica del Sacro Cuore Roma, Italy)</p> <p>Beatrix Göcking (University of Zurich, Switzerland)</p>	
--	---	---	--

Parallel Sessions IV

Date and Time	Talk	Speaker	Room
Sat, 13.09.2025	Biomedical Ethics session IV Moderator: Sebastian Wäscher		AFL-E-015
9:00 – 9:20	Unjustified placebo-controlled trials? The case of the ultra-rare disease erythropoietic protoporphyria	Jasmin Barman-Aksözen (University of Zurich, Switzerland)	
9:20 – 9:40	Age-Based Exclusions in Gene Therapy Trials: Current Practices and Ethical Considerations	Julian W. März (University of Zurich, Switzerland)	
9:40 – 10:00	The Roles of Advocacy Organisations in Clinical Research	Ana Gurau (University of Geneva, Switzerland)	
10:00 – 10:20	Ethical Challenges in Personalized Medicine: Equity, Privacy, and Genetic Discrimination	Tilism Kadioglu (KU Leuven, Belgium)	
10:20 – 10:40	Ethical Dimensions of Short-Term Medical Missions: A Justice Framework Analysis	Rodrigo Lopez-Barreda (P. Universidad Catolica de Chile, Chile)	

Sat, 13.09.2025	Trust, Disinformation, and Global Bioethics in the Age of AI Moderator: Giovanni Spitale		AFL-E-011
9:00 – 9:20	Health Disinformation, Artificial Intelligence, and the Role of Global Bioethics	Kiarash Aramesh (PennWest University, USA)	
9:20 – 9:40	What Does It Mean to Trust? Investigating the Conceptualizations of Public Trust in Healthcare Systems from an Empirical Bioethics Perspective	Sarah Savić Kallesøe (University of Oxford, United Kingdom)	
9:40 – 10:00	Citizens' perspectives on the ethics of health technology innovations	Jelena Vanhollebeke (KU Leuven, Belgium)	
10:00 – 10:20	Ethical Responsibility in Digitalized Healthcare: Structural Challenges and Constraints	Wenke Liedtke (University of Greifswald, Germany)	
10:20 – 10:40	Integrating ethics with science and technology development. A reflection on goals, methods, potential pitfalls and future perspectives	Anja Pichl (University of Potsdam, Germany)	
10:40 – 11:00	On the value conflict between scientific knowledge production and fair distribution of authorship	Gert Helgesson (Karolinska University, Sweden)	

Sat, 13.09.2025	Mental Health, Education, and the Ethics of Care Infrastructures Moderator: Apurva Watve		AFL-E-022
9:00 – 9:20	Addressing loneliness across diverse populations: an umbrella review	Annika Rohmoser (University of Basel, Switzerland)	
9:20 – 9:40	An International e-Delphi Study on Futility in Mental Healthcare	Anna Westermair (University of Zurich, Switzerland)	
9:40 – 10:00	Relational Autonomy in Digital Mental Health Games: Rethinking the Balance Between Autonomy and Social Play	Wanda Spahl (Karl Landsteiner University of Health Sciences, Austria)	
10:00 – 10:20	Evaluation of a course on interprofessional ethical case consultations and reflection on the contribution and challenges of training in ethical competencies	Christiane Vogel (University of Halle-Wittenberg, Germany)	
10:20 – 10:40	On-Demand Medical Ethics Education: Exploring the value of digital resources to support healthcare ethics and law education for medical students	Adam Parkes (University of Birmingham, United Kingdom)	
10:40 – 11:00	“Ethics for all”: interprofessional ethical training in the education of healthcare professionals	Melanie Werren and Kristin Hammer (ZHAW, Switzerland)	

Sat, 13.09.2025	End of Life Moderator: Nuria Terribas		AFL-F-121
9:00 – 9:20	From "clean rules" to "dirty hands"? Development of an ethical guideline on assisted suicide in a Swiss hospital	Settimio Monteverde and Oliver Matthes (University of Zurich, Switzerland)	
9:20 – 9:40	Ethical challenges in End-of-Life decisions: an umbrella systematic review of attitudes among physicians, nurses, and the general public in Europe	Costanza Raimondi (Università Cattolica del Sacro Cuore Roma, Italy)	
9:40 – 10:00	Conscientious Objection in Euthanasia and Assisted Suicide: A Systematic Review	Carlos Gomez-Virseda (KU Leuven, Belgium)	
10:00 – 10:20	“If we had known she would die here we would have stayed at home”: Clinical decision-making about hospital admission in the last year of life.	Rachel Davies (University of Bristol, United Kingdom)	
10:20 – 10:40	The experience of euthanasia in Spain: figures and difficulties of application	Nuria Terribas (University of Vic-Central of Catalonia, Spain)	
10:40 – 11:00	Can ‘life fatigue’ justify a request for euthanasia	David Lorenzo (Ramon Llull University, Spain)	

Sat, 13.09.2025	Ethical Spaces in Intersex and Gender-Affirming Care Moderator: Sabine Salloch		AFL-E-019
9:00 – 9:20	What Care for Intersex and Transgender People?	Martin Gramc (University of Zurich, Switzerland)	
9:20 – 9:40	Building Expertise in Healthcare Navigation Supporting Families and Patients with Variations of Sex Characteristics	Eva De Clercq (Gesundheitskompass, Switzerland)	
9:40 – 10:00	Gender Reassignment Surgery as a Treatment Option for Gender Dysphoria in Adults: A Review of Ethical Reasons	Bijosh Moolekkudiyil Baby (KU Leuven, Belgium)	
Sat, 13.09.2025	Rethinking Animal Research in a One Health Framework Moderator: Sabine Salloch		AFL-E-019
10:00 – 10:20	An analysis of ethical arguments in the public debate on animal testing in Switzerland	Selina Wegmüller (University of Bern, Switzerland)	
10:20 – 10:40	Reimagining the Three Rs in the Era of One Health: A Qualitative Research on Early Career Science Researchers	Yesim Isil Ulman (Acıbadem University School of Medicine, Türkiye)
