

## Curriculum vitae

### ROBERTO ANDORNO

- Associate Professor (*Privatdozent*) of Bioethics and Biomedical Law, Faculty of Law &
- Senior Research Fellow and Coordinator of the PhD Program in Biomedical Ethics and Law, Faculty of Medicine, University of Zurich, Switzerland

<b>Date and place of birth</b>	August 16, 1961, Santa Fe, Argentina
<b>Nationality</b>	Argentine/Italian
<b>Office Address</b>	Institute of Biomedical Ethics and History of Medicine University of Zurich Winterthurerstr. 30 CH- 8006 Zurich
<b>Tel.</b>	+41 (0)44 634 8380
<b>E-mail:</b>	roberto.andorno@uzh.ch
<b>Languages</b>	Spanish, French, Italian, English, German
<b>Website</b>	<a href="http://uzh.academia.edu/RobertoAndorno">http://uzh.academia.edu/RobertoAndorno</a>

### EDUCATION

- Master of Law ("Abogado"), Faculty of Law, University of Rosario, Argentina (1984)
- Doctor of Law, Faculty of Law, University of Buenos Aires, Argentina. Thesis on: "In vitro fertilization and Argentine civil law" (*summa cum laude*) (1991)
- Doctor of Law, Faculty of Law, University of Paris-Est Créteil, France. Thesis on: "The legal distinction between 'persons' and 'things' in the context of assisted reproductive techniques" (*summa cum laude*) (1994)

### RESEARCH ACTIVITIES

- Visiting Scholar, Faculty of Philosophy, Laval University, Quebec, Canada (Jan.-Dec. 1999)
- Humboldt Foundation Fellow, Dept. of Medical Ethics, University of Göttingen, Germany. Research on: "Human Dignity. A Key Concept in International Bioethics" and "Human Rights as a Legal Framework for International Bioethics" (2000-2002)
- Research on the legal aspects of the project "Ethical issues posed by informed consent in the context of randomized clinical trials", funded by the Robert Bosch Foundation, Dept. of Medical Ethics, University of Göttingen, Germany (2003-2004)
- Research Fellow, International Centre for Ethics in the Sciences (IZEW), University of Tübingen, Germany. Research: "Genetic Databanks. A Human Rights Approach" (2004-2005)
- Research Fellow at the Institute of Biomedical Ethics, University of Zurich (since 2005)
- Research Fellow at the Faculty of Law, University of Zurich (since 2011)
- Researcher for the EU Horizon 2020 Project INTEGRITY on the teaching of responsible conduct of research, coordinated by the University of Utrecht (2019-2021).

## TEACHING (selection)

### University of Buenos Aires (Argentina), Faculty of Law

- Assistant Professor, Civil Law (“Torts Law”) (1987-90)
- Adjunct Professor, Civil Law (“Introduction to Civil Law”) (1995-98)
- Teaching of seminars at the doctoral program, intensive modality (2009-2015)

### University of Göttingen (Germany)

- Deutscher Akademischer Austauschdienst (DAAD)-Visiting Professor at the PhD International Program on Molecular Biology and Neurosciences (2002-2003). Teaching of seminars on scientific integrity.

### University of Zurich (Switzerland)

- Lecturer in medical ethics/law at the Faculty of Medicine (since 2006)
- Lecturer in scientific integrity at the PhD Program of the Life Science Zurich Graduate School (2010-2013)
- Lecturer in “Ethics in doctoral research” at the School of Law (2012-2016)
- Lecturer in “Ethics training for researchers”, Graduate Campus (since 2017).
- Habilitation (*Privatdozent*) in medical law and bioethics at the School of Law (2016)

### University of Basel (Switzerland)

- Lecturer in bioethics & biolaw at the Institute for Bioethics (2012-2018)
- Lecturer in “Introduction to ethics, research ethics and nanoethics” (since 2019)

## ADVISORY ACTIVITIES

### UNESCO

- Member of the International Bioethics Committee (IBC) (1998-2005)
- Member of the UNESCO IBC Drafting Group for the elaboration of the *International Declaration on Human Genetic Data* (2002-2003)
- Member of the UNESCO IBC Drafting Group for the elaboration of the *Universal Declaration on Bioethics and Human Rights* (2004-2005)
- Rapporteur to UNESCO Office for Latin America and the Caribbean. Report: “Neurotecnologías y derechos humanos en América Latina y el Caribe. Desafíos y propuestas de política pública”, 2023. At: <https://unesdoc.unesco.org/ark:/48223/pf0000387079>
- Member of the UNESCO Expert Group for the Elaboration of a Draft Recommendation on the Ethics of Neurotechnology (2024)

### Council of Europe

- Rapporteur to the Council of Europe’s Steering Committee on Bioethics (CDBI): “The previously expressed wishes relating to health care. Common principles and differing rules in national legal systems”. Oral presentation of the report to the plenary session of the CDBI (2008)

### European Commission

- Ethics reviewer of research projects in the biomedical field, 7<sup>th</sup> Framework and Horizon 2020 Programmes (2011-2016)

### **Université de Franche-Comté, Besançon, France**

Member of the scientific committee, *Maison des sciences de l'homme et de l'environnement* (MSHE) (2013-2023)

### **Université de Lausanne, Suisse**

Member of the Research Ethics Committee (*Comité d'éthique de la recherche CER-UNIL*) (since 2019)

### **Swiss Network of Ethics of Care (SNEC)**

Founding member (since 2017)

### **Ad hoc reviewer for funding agencies**

European Science Foundation (ESF); UK's Wellcome Trust; Canada's Social Sciences and Humanities Research Council (SSHRC); Swiss National Science Foundation (SNSF); Russian International Affairs Council; Research Foundation Flanders, Belgium (FWO); FWF-Austrian Science Fund.

## **MEMBERSHIP OF PROFESSIONAL OR ACADEMIC ORGANIZATIONS**

- European Society for Philosophy of Medicine and Healthcare (ESPMH).  
President of the ESPMH (2014-2016)
- Competence Center *Medizin, Ethik, Recht Helvetiae* (MERH), Switzerland.
- Center for Bioethics and Human Dignity (CBHD), Trinity International University, Deerfield, IL, USA.
- International Network of Biolaw

## **EDITORIAL ROLES**

### **Member of editorial or advisory boards**

- *Medicine, Health Care and Philosophy* (ESPMH)
- *Bioethica Forum. Swiss Journal of Biomedical Ethics* (Switzerland);
- *Journal internationale de bioéthique* (France);
- *The New Bioethics. A Multidisciplinary Journal of Biotechnology and the Body* (UK);
- *Rivista di Biodiritto / Biolaw Journal* (Italy);
- *Comparative Law Review* (Poland)
- *Zeitschrift für medizinische Ethik* (Germany)

### **Ad-hoc reviewer for scientific journals & publishers**

*Medicine, Health Care and Philosophy; Human Rights Review; Journal of Medical Ethics; Bioethics; BMC International Health and Human Rights; Medical Law International; MIT Press; Routledge.*

## **INVITED PAPERS AND LECTURES (selection)**

1. "Le droit pourra-t-il prévenir le clonage humain?", Seminar for Professors, Faculty of Law, Laval University, Quebec, Canada, 12 March 1999.

2. "Mensch oder Person: Wer ist Subjekt der Menschenrechte?", in: "Imperfekter Mensch – perfekte Medizin?", Lectures Series organized by the Dept of Medical Ethics (Univ. Göttingen), and the "Akademie für Ethik in der Medizin", 10 May 2001.
3. "Is there a right not to know one's genetic information?", XIV World Congress of Medical Law, Maastricht, 11-15 August 2002.
4. "La Convention européenne sur les droits de l'homme et la biomédecine", Faculty of Law, University of Grenoble II, France, 30 March 2004.
5. "Intellectual property rights and ethics: WIPO, WHO, WTO and UNESCO", International Workshop: "Intellectual Property Rights and the Information Society", EU Project: "Property Regulation in European Science, Ethics and Law" (Prop Eur), Göttingen, 17-18 september 2004.
6. "Universalité et diversité culturelle dans la Déclaration universelle sur la bioéthique et les droits de l'homme" in: 12th Session of the UNESCO International Bioethics Committee, Tokyo, 15-17 December 2005.
7. "The previously expressed wishes relating to health care. Common principles and differing rules in national legal systems", at the annual meeting of the Council of Europe's Steering Committee on Bioethics (CDBI), Strasbourg, 2 December 2008.
8. "L'autonomie et la dignité de la personne sont-elles conciliables? A propos de quelques questions de bioéthique", Lecture at the Seminar: "La liberté et l'autonomie: Kant et Thomas d'Aquin", University of Fribourg (Switzerland), 10 March 2009.
9. Intensive Seminar on Ethics in Science, Graduate Training Centre of Neuroscience, University of Tübingen, Germany, 27-28 March 2009.
10. "Forces et faiblesses de la bioéthique internationale", lecture at the « Master en éthique appliquée », Université Paris-Marne-la-Vallée, 12 January 2011.
11. "Bioetica e diritti umani", key-note speech at the seminar on bioethics and human rights organized by the Department of International Law of the University of Salerno, Italy, May 17, 2011.
12. "Dealing with scientific misconduct", lecture at the PhD Program "Foundations of the life sciences and their ethical consequences", European School of Molecular Medicine, IFOM-IEO Campus, Milan, June 6, 2011.
13. "Ethics of scientific research", lecture at the "Zukunftskolleg" of the University of Konstanz, Germany. October 27, 2011.
14. "Costituzioni europee e bioetica", lecture at the Fondazione Lanza, Padua, Italy, December 15, 2011.
15. "¿Qué principios deben guiar a la bioética?", lecture at the IV Series of international lectures in bioethics, coordinated by Prof. Volnei Garrafa, Faculty of Health Sciences, University of Brasilia, Brasilia, November 8, 2012.
16. "Ethique et intégrité scientifique", lecture at: Université d'été 2013: Ethique, science et société, Université Paris-Sud / Espace Ethique, Paris, 10 June 2013.
17. "Advance directives in dementia research", lecture at: "Contemporary Debates in Bioethics. Clinical Ethics", Institute for Bioethics, University of Basel, 4 April 2016.
18. "Intervenciones en la línea germinal humana: problemas bioéticos y jurídicos", lecture at the Faculty of Law, University of Buenos Aires, 27 July 2016.

19. "Organ selling: issues of commodification and exploitation", at the course "Bodies for sale? Global markets for bodies, babies and organs" coordinated by Prof. Carolin Schurr, University of St. Gallen, 23 March 2017.
20. "Neuroderechos: ¿nueva categoría de derechos humanos?", Faculty of Law, University of Buenos Aires, 28 August 2017.
21. "Does neurotechnology require neurorights? Starting a debate" (together with Marcello Ienca), Bocconi University, Milan, 11 September 2017.
22. "Moving from bioethics to biolaw: advantages and risks", Inaugural lecture as *Privatdozent* at the Law Faculty, University of Zurich, 20 November 2017.
23. "Quel rôle pour les droits de l'homme face aux neurosciences et à l'ingénierie du génome?", Centre européen pour le droit et la justice, Strasbourg, 10 February 2018.
24. "The patient as a person", at Pavlov Medical University, Saint Petersburg, Russia, 30 May 2018.
25. "Neuroscience and human rights", lecture (via Skype) at the Seminar organized in Athens by the Hellenic National Bioethics Commission, coordinated by Dr. Takis Vidalis, 14 June 2018.
26. "Intercountry surrogacy agreements and the jurisprudence of the European Court of Human Rights", Summer school of medical law and bioethics, organized by ELSA (European Law Students Association), Faculty of Law, University of Thessaloniki, Greece, 8 July 2018.
27. "Human rights and biomedicine: past achievements and future challenges", Faculty of Law, University of Trento, Italy, 23 October 2018.
28. "Why be ethical in science? A brief introduction to scientific integrity", Department of Medicine, University of Fribourg, 14 November 2018.
29. "Vulnerability and organ selling: A global challenge", Lecture Series on "Vulnerability, security and human rights", Dept. of Legal Sciences, University of Florence, 10 May 2019.
30. "Problemi sollevati dalla prospettiva della creazione di bambini geneticamente modificati: Analisi dello Statement di Ginevra di 2020", Centro di bioetica, University of Parma, 6 October 2020.
31. "Assisted suicide, autonomy and the common good", Anscombe Bioethics Centre, Oxford, UK, 23 June 2023.

## CONFERENCE PAPERS (selection)

1. "La reconnaissance de l'autre comme sujet (à propos de l'universalité des droits de l'homme)", 67th Congress of the "Association Canadienne-Française pour l'Avancement de la Science" (ACFAS), University of Ottawa, Canada, May 10, 1999.
2. "Is dignity a bioethical principle?", 14th annual conference of the European Society for Philosophy of Medicine and Health Care (ESPMH), Krakow, August 23-26, 2000.
3. "Is there a right not to know one's genetic make-up?", 14<sup>th</sup> World Congress on Medical Law, Maastricht, 11-15 August 2002.
4. "El principio de precaución como instrumento jurídico para la prevención y la gestión de riesgos", Symposium on the Precautionary Principle, University Deusto, Bilbao, October 7, 2002.
5. "The UNESCO Draft Declaration on Human Genetic Data", XVIIth European Conference on Philosophy of Medicine and Health Care, Vilnius (Lithuania), 21-23 August 2003.

6. "Intellectual property rights and bioethics: WIPO, WHO, WTO and UNESCO" at: International Workshop on "Intellectual Property Rights and the Information Society" of the European Commission sponsored Project "Property Regulation in European Science, Ethics and Law" (Prop Eur), Göttingen, Germany, 17-18 September 2004.
7. "Menschenwürde als Leitidee der internationalen Bioethik" at: "Würde – Zur Kulturinvarianz oder -kovarianz eines zentralen Begriffs in der europäischen Tradition der menschlichen Selbstbildentwürfe", Workshop of the DFG (Deutsche Forschungsgemeinschaft)-sponsored Project "Kulturübergreifende Bioethik", Bonn, 7-8 October 2004.
8. "La dignidad humana y los derechos humanos como nociones estructurantes del Derecho internacional biomédico" invited speaker at: International Conference "Biomedicina y Derechos Humanos: Hacia una Declaración Universal de Bioética", Universidad Europea de Madrid, Madrid, 31 January 2005.
9. "Justice, human rights and democratic control of biotechnology", invited speaker at: Conference on European Biopolitics, Heinrich-Boell Foundation, Berlin, 17-19 March 2006.
10. "First steps in the development of an international biolaw", Keynote speech at the Annual Conference of EACME (European Association of Centres of Medical Ethics), Leuven (Belgium), 28-30 September 2006.
11. "Human rights as a mechanism to institutionalise global bioethical standards", invited speaker at: "The Institutionalisation of Ethics in Science Policy: Practices and Impact". Final Conference of INES (EU Project coordinated by CESAGen), Brussels, 26-27 October 2006.
12. "La dignidad humana como fundamento de la bioética y de los derechos humanos en la Declaración Universal", invited speaker at: *Presentación de la Declaración Universal de Bioética y Derechos Humanos de la UNESCO*, International Conference organized by the BBVA Foundation (Banco Bilbao Vizcaya) and the University of Deusto, Bilbao, 10 November 2006.
13. "The Invaluable Role of Soft Law in the Development of Universal Norms in Bioethics", in: Workshop: "Die Umsetzung bioethischer Prinzipien im internationalen Vergleich", jointly organized by the German Foreign Affairs Ministry and the German UNESCO Commission, Berlin, 15 February 2007.
14. "Regulación legal de las técnicas de reproducción asistida en Latinoamérica", in: International Conference: "Hacia un instrumento regional interamericano sobre la bioética. Experiencias y expectativas", Instituto de Investigaciones Jurídicas, Universidad Nacional Autónoma de México, México, 5-7 September 2007.
15. "European health law in the context of an international biolaw", invited speaker at: "The Future of Health Law in Europe", Founding Conference of the European Association of Health Law, Edinburgh, 10-11 April 2008.
16. "Intergovernmental declarations relating to bioethics: Are they legal in nature or merely ethical?" and "Universalism and respect for cultural diversity in the international texts relating to bioethics" at the World Congress of Bioethics, Rijeka (Croatia), 3-8 September 2008.
17. "The emergence of a global bioethics/biolaw", at the "European Workshop on Global Ethics and Public Policy", within the Programme "Ethics, Research and Public Policy" funded by the Dutch Science Organisation (NWO), The Hague, 10 December 2008.
18. "Setting a legal framework for biomedical research in Europe", invited speaker at the International Conference on Human Rights and Biomedicine, University of Rotterdam, 11 December 2008.

19. "Four paradoxes of dignity", invited speaker at: Workshop: "Menschenwürde und Menschenbild: eine Bestandsaufnahme", Zentrum für interdisziplinäre Forschung (ZiF), University of Bielefeld, Germany, 10 July 2009.
20. "Universal values in a multicultural context", Keynote speech at the Annual Conference of EACME (European Association of Centres of Medical Ethics), Venice, 10-11 September 2009.
21. "Assisted suicide in Switzerland", at: Expert Panel: 'Should we legalise assisted suicide? Lessons from across Europe', organized by the European Association of Health Law, at the Teviot House, University of Edinburgh, 14 October 2009.
22. "Advance directives for health care: is a common European policy possible?", at the Annual Conference of the European Association of Health Law, Edinburgh, 16 October 2009.
23. "Exploring the relationship between human dignity and human rights in international biolaw", in: International Workshop on Human Dignity, Human Rights and Bioethics, University of Zurich, 5-6 November 2009.
24. "Human nature, human dignity and human rights in a biotechnological age", Keynote speaker at the 24<sup>th</sup> Annual Conference of the European Society for Philosophy of Medicine and Health Care (ESPMH), Zagreb, 18-21 August 2010.
25. "The right not to know: a comparative legal approach", invited speaker at: International Workshop: Genetic Testing and Hereditary Diseases: Between the Right to Know and the Duty to Inform", organized by the Institute of Molecular Oncology Foundation (IFOM) and the European Institute of Oncology (IEO) of Milan, in Lido di Camaiore, Italy, 22 September 2010.
26. "Le fondement éthique du principe d'indisponibilité du corps humain", invited speaker at Lectures series : « Le corps, la personne et le droit », Collège des Bernardins, Paris, 13 October 2010.
27. "Menschenwürde: ein überflüssiger Begriff im Bereich des Rechts?", invited speaker at Workshop: "Menschenwürdige Pflege: Leer- oder Zauberformel?", Bethesda Hospital, Basel, 11 November 2010.
28. "Criticità del rapporto medico-paziente", as invited speaker at: Conference "Medico e paziente tra medicina difensiva e appropriatezza dei trattamenti". School of Medicine, University of Naples, Italy, December 1-3, 2011.
29. "Überlegungen zum Unterschied zwischen *verbindlichen* und *nicht-verbindlichen* Patientenverfügungen", at the Annual Conference of the Swiss Society for Legal and Social Philosophy (SVRSP), Lucern, 11-12 May 2012.
30. "Human Rights and Bioethics", as invited speaker at the Annual conference of the Turkish Bioethics Association, Istanbul, 10-13 October 2012.
31. "Fragmentierung der Elternschaft und das Wohl des Kindes", at the Workshop: Reproduzierbarkeit in der Fortpflanzungsmedizin, Collegium Helveticum, Zurich, 12-13 March 2013.
32. "The intersection of neuroscience and the law", at Workshop: Neuroethics. Theory and Clinical Practice, University of Zurich, 4-5 April 2013.
33. "Technological innovation and the precautionary principle: friends or foes?" at the 27<sup>th</sup> Conference of the European Society for Philosophy of Medicine and Healthcare (ESPMH), Basel, 14-17 August 2013.

34. "I diritti umani come quadro normativo per la bioetica internazionale" as invited speaker at Conference: Regulation of Science: Limits or Opportunities?, Cattedra Jean Monnet, University of Perugia, Italy, 27 May 2014.
35. "Droits de l'homme et bioéthique: une alliance naturelle", as invited speaker at : « 8<sup>th</sup> Colloque International des Droits de l'Homme », Libertas. International Centre on Human Rights, Athens, 5-6 June 2014.
36. "La bioética global en los años 1998-2005" as invited speaker at the International conference « Diritto, bioetica e salute », Department of Legal Sciences, University of Salerno, 17 July 2014.
37. "Can advance directives be used to consent to research participation in the event of dementia?", at the 29<sup>th</sup> Conference of the European Society for Philosophy of Medicine and Healthcare (ESPMH), Ghent, Belgium, 19-22 August 2015.
38. "Human rights and bioethics", at Zurich Intensive Bioethics Course, jointly organized by the Institute of Biomedical Ethics and History of Medicine, University of Zurich & Center for Bioethics of Harvard Medical School, 14-16 November 2015.
39. "Quel cadre juridique pour un code européen de déontologie médicale?" as invited speaker at: « Da Sanremo 2005 a Sanremo 2015: Il Cammino del Codice europeo di deontologia medica », Conference of the European Council of Medical Orders, Sanremo, Italy, 22 November 2015.
40. "The role of principles in biomedical law", as invited speaker at the Workshop "Framing the Moral and Legal Terrain of Personalized Cancer Medicine", School of Law, University of Oslo, 15 December 2015.
41. "Gene editing techniques in humans: the European legal framework", as invited speaker at the Consensus study meeting on human gene editing organized by the US National Academy of Sciences and the National Academy of Medicine, Paris, 29 April 2016.
42. "Genetic rights", as invited speaker at the Workshop "New Human Rights for the 21<sup>st</sup> Century" organized by the Kiel University's Institute of International Law, within the framework of the Horizon 2020 project *Hurmur* (Human Rights – MUtually Raising Excellence), 21-24 Sept. 2016.
43. "End of life care from a human dignity and human rights perspective", as invited speaker at the End of Life Care Symposium, jointly organized by the Council of Europe and Acibadem University, Istanbul, 25 October 2016.
44. "Intercountry surrogacy and the best interest of the child", Conference: "Debatendo a procriação medicamente assistida", Faculty of Law, University of Porto, Portugal, 16-17 March 2017.
45. "A la recherche de la dignité dans la vulnérabilité", Workshop: Philosophie du soin, dignité et vulnérabilité, University of Lausanne, 4-5 May 2017.
46. "Creating new human rights for the protection of the mind: neurorights", 28<sup>th</sup> World Congress of the International Association for the Philosophy of Law and Social Philosophy (IVR), Special Workshop: The Discourse of Biorights, Lisboa, 17-21 July 2017.
47. Invited discussant at the UNESCO Workshop on the Draft General Comment on the Right to Science (Art. 15 of the International Covenant on Economic, Social and Cultural Rights), convened by Prof. Helle Porsdam, Faculty of Law, Univ. of Copenhagen, 14 September 2017.
48. "Genetic rights", as invited speaker at the Workshop "New Human Rights for the 21<sup>st</sup> Century" organized by the Faculty of Law of Tallinn University, within the framework of the Horizon 2020 project *Hurmur* (Human Rights – Mutually Raising Excellence), Tallinn, Estonia, 20-23 Sept. 2017.

49. "Towards a right to mental privacy?" as invited speaker at the round-table "Emerging technologies and fundamental rights in Europe", Faculty of Law, University Milano-Bicocca, Milan, 20 April 2018.
50. "The right not to know" as invited speaker the Workshop "Knowledge and the Management of Ignorance", Collegium Helveticum, Zurich, 8 June 2018.
51. "Germline gene editing and international law", online presentation at the Webinar on "Gene Editing and Human Rights", organized by the Center for Genetics and Society (Berkeley, USA), 4 October 2018.
52. Statement at the Day of General Discussion on the right to science convened by the UN Committee on Economic, Social and Cultural Rights, Geneva, 9 October 2018.
53. "Bioethics and Human Rights", at the Interdisciplinary Bioethics School, University of Basel, 16 October 2018.
54. "Dignidad humana, derecho y bioética", "1a. Conferência internacional de direito e bioética", University of Minho, Braga, Portugal, 23 November 2018.
55. "Evolution of scientific integrity", Workshop: "The right to science, then and now", Faculty of Law, University of Copenhagen, 10 December 2018.
56. "Human germline gene editing: an old debate revisited", at Workshop "Engineering Future Generations? The Debate about Societal Governance, Public Engagement and Human Gene Editing for Reproduction", Brocher Foundation, Hermance (Switzerland), 14 January 2019.
57. "Modificación del genoma humano y cuestiones de justicia intergeneracional", 5th Annual Conference on Biolaw organized by the International Network of Biolaw, Universidad del País Vasco, Bilbao, 6-8 May 2019.
58. "Brain Data and Human Rights". Workshop: Closing the regulatory gap for consumer neurotechnology, Brocher Foundation, Hermance (Switzerland). November 25 - 27, 2019.
59. "Relevance of the UNESCO Recommendation on Science and Scientific Researchers for Addressing Issues Concerning Research Integrity" (online), Workshop: The Right to Science and the 2017 UNESCO Recommendation on Science and Scientific Research, gloknoS, University of Cambridge UK, 8 October 2020.
60. "Edición genética en la línea germinal humana: su impacto en los derechos humanos". In: Seminario internacional sobre edición genética en seres humanos. Aspectos científicos, éticos y jurídicos. Faculty of Law, University of Valencia, Spain, 13 November 2020.
61. "Qu'est-ce qu'un scientifique intègre?", Rencontres philo, École Polytechnique Fédérale de Lausanne (EPFL), Lausanne, 2 March 2022.
62. "Equality in Philosophy: What makes human beings equal?", Workshop: "Human Genome Editing and Equality", Social Trends Institute, Barcelona, 21-23 April 2022.
63. "The forgotten common good: Why a purely individualistic approach is inadequate for dealing with the challenge of human germline gene editing", World Congress of Bioethics, Basel, 20-22 July 2022.
64. "Los neuroderechos en el marco de la UNESCO", Conference: "Derecho Penal y Comportamiento Humano. Desafíos desde la neurociencia y la inteligencia artificial", Toledo (Spain), University of Castilla-La Mancha, 21 September 2022.

65. "What does the common good in public health mean?", at Conference: "World Bioethics Day: Social Responsibility & Health", Faculty of Philosophy, National and Kapodistrian University of Athens, 19 October 2022.
66. "The transition from bioethics to biolaw. Opportunities and challenges". Workshop "Ethics in the Making", Institute for History of Medicine, University of Bern, 21 April 2023.
67. "Dignité et autonomie : deux notions rivales ou complémentaires dans les soins en fin de vie ?", Journée d'étude, Fondation Camargo, Cassis, France, 26 May 2023.
68. "Les fondements axiologiques du biodroit de l'Union européenne", Colloque « Quel modèle pour le biodroit de l'Union européenne? », Faculté de droit de Nancy (France), 14-15 March 2024.
